Further Information

Refer to Para 7.1 and 7.4 on Pg 4 and 5 of the Prospectus for further information on product suitability.

KEY PRODUCT FEATURES

WHAT ARE YOU INVESTING IN?

- You are investing in a unit trust constituted in Singapore that aims to provide you with capital preservation and regular income through investment primarily in global bonds and money market instruments issued by the government, statutory bodies or other public or private entities of Singapore and by sovereign states or governments or corporations or government-related bodies in both developed and emerging markets around the world.
- You may receive annual distributions of at least 2% per annum of the NAV per Unit of the Fund as at the preceding financial year, provided the income of the Fund accumulated in the income account of the Fund is at least 2% per annum.
- If the income of the Fund for any financial year is less than 2% per annum, then the amount of income in the income account to be distributed will be at the discretion of the Manager. No distribution will be made if the income of the Fund for that financial year is 0% or if the Manager is of the opinion that it is economically impractical to do so.

Refer to Para 7, 8 and 21.3 on Pg 4, 5 and 18 of the Prospectus for further information on features of the product.

¹ The Prospectus is available from the Manager (whose operating address is at 80 Raffles Place, 6th Storey, UOB Plaza 2, Singapore 048624) or its authorised agents or distributors or through the Manager's website at uobam.com.sg.

Investment Strategy	
<ul style="list-style-type: none"> • The Manager intends to achieve the investment objective of the Fund by investing primarily in global bonds and money market instruments issued by government, statutory bodies or other public or private entities. • The Manager will manage the Fund as an absolute return target fund, and will use their flexibility to diversify into various pre-assessed asset classes. Within each asset class, the market specialists can optimise the portfolio returns by seeking the best investments on a risk-adjusted basis subject to investment guidelines and constraints. • The Manager’s investment approach is research intensive, driven by fundamentals and valuation considerations, such as duration management, transaction costs and credit analysis and credit diversification. • <i>The Manager may use financial derivative instruments for the purposes of hedging existing positions in a portfolio or for efficient portfolio management.</i> 	<p>Refer to Para 7.1, 7.2 and 10.2.7 on Pg 4 and 8 of the Prospectus for further information on the investment focus and approach of the Fund and its exposure to financial derivative instruments.</p>
Parties Involved	
<p>WHO ARE YOU INVESTING WITH?</p> <ul style="list-style-type: none"> • The Manager is UOB Asset Management Ltd. • The Trustee is HSBC Institutional Trust Services (Singapore) Limited. • The Custodian is State Street Bank and Trust Company. 	<p>Refer to Para 2 and 3 on Pg 3 of the Prospectus for further information on the role and responsibilities of these entities.</p>
KEY RISKS	
<p>WHAT ARE THE KEY RISKS OF THIS INVESTMENT?</p> <p>The value of the Fund and its dividends or coupons may rise or fall. These risk factors may cause you to lose some or all of your investment:</p>	<p>Refer to Para 10.1 and 10.2 on Pg 7 of the Prospectus for further information on risks of the product.</p>
Market and Credit Risks	
<ul style="list-style-type: none"> • You are exposed to market risks in the global markets. <ul style="list-style-type: none"> o Prices of securities may be affected by changes in economic conditions, interest rates and the market’s perception of the securities which in turn affects the price of Units. • You are exposed to credit risks. <ul style="list-style-type: none"> o Adverse changes in the financial condition of the issuer of the debt securities which the Fund is invested in, or in general economic conditions, or both, or an unanticipated rise in interest rate, may increase the potential for default. 	
Liquidity Risks	
<ul style="list-style-type: none"> • The Fund is not listed and you can redeem only on Dealing Days. <ul style="list-style-type: none"> o There is no secondary market for the Fund. All redemption requests should be submitted to the Manager or any authorised agent or distributor of the Manager. 	

Product-Specific Risks

- **You are exposed to interest rate risks.**
 - o The Fund’s investments in debt securities are subject to the risk of interest rate fluctuations which may affect the prices of the debt securities.
- **You are exposed to political risks.**
 - o The investments of the Fund may be adversely affected by political instability as well as exchange controls, changes in taxation, foreign investment policies, restrictions on repatriation of investments and other restrictions and controls which may be imposed by the relevant authorities.
- **You are exposed to liquidity risks.**
 - o Investments by the Fund in some Asian and/or emerging markets often involve a greater degree of risk due to the nature of such markets which do not have fully developed services. There may be a greater degree of volatility in such markets because of the speculative element, significant retail participation and the lack of liquidity.
- **Other risks to your investment include foreign exchange risk, counterparty risk and derivative risk.**

VALUATIONS AND EXITING FROM THIS INVESTMENT

HOW OFTEN ARE VALUATIONS AVAILABLE?

The issue price and realisation price of Units will generally be published 2 Business Days after the relevant Dealing Day in The Straits Times, The Business Times, Lianhe Zaobao and such other local or foreign publication as the Manager may decide upon and may also be found on the Manager's website at uobam.com.sg.

Refer to Para 11.6, 13 and 15 on Pg 12, 13 and 15 of the Prospectus for further information on valuation and exiting from the product.

HOW CAN YOU EXIT FROM THIS INVESTMENT AND WHAT ARE THE RISKS AND COSTS IN DOING SO?

- You can exit the Fund on any Dealing Day by submitting a realisation form to any authorised agent or distributor of the Manager. If applicable to you and you wish to exit the Fund within the cancellation period of 7 days from the time of your subscription, you may do so by submitting a cancellation form and you will not incur the Subscription Fee and fees stated above. However you will have to take the risk of any price changes in the NAV of the Fund since your subscription and pay any bank charges, administrative or other fee imposed by the distributor.
- You will normally receive the realisation proceeds within 4 Business Days from the Dealing Day on which your realisation request is received and accepted.
- The realisation price of your Units is determined as follows:
 - o If you submit the realisation form by 3pm on a Dealing Day, you will be paid a price based on the NAV of the Fund as at the Valuation Point of that Dealing Day
 - o If you submit the realisation form after 3pm on a Dealing Day or on a day not being a Dealing Day, you will be paid a price based on the NAV of the Fund as at the Valuation Point of the next Dealing Day.
- The realisation proceeds that you will receive will be the realisation price multiplied by the number of Units realised, less any charges. An example is as follows:

1,000 Units	x	S\$0.950	=	S\$950.00
Your realisation request		Realisation Price		Gross Realisation Proceeds
S\$950.00	-	S\$0.00	=	S\$950.00
Gross Realisation Proceeds		Realisation Charge		Net Realisation Proceeds
